## The Editor

Contacts Magazine is for Lesbians and Gays! Now, I know that may sound a little obvious but judging from some of the conversations we've heard about recently, it seems it needs to be said.

It has been suggested that we run pages on cookery, the stars, TV listings, where to eat and so on. It was also suggested by one brave soul that we be more careful in the choice of our materials in case we offend our hetero friends.

At that stage we thought we'd better see what you, the readers, thought. So the Readers Survey came about— you'll find your very own copy with this issue of the magazine— please do take a few minutes to fill it in and return it to us.

If you want to enter the free competition, to win a copy of Spartacus, you'll need to give your name and address.

We expect to publish the findings of the survey in December. But you can expect to see results immediately by continuing to read Contacts Magazine

中秋佳節應該是一個人月兩團圓的好日子，在一輪明月的照耀下跟自己相愛的人一同享用月餅，賞花燈簡直是人生一大快事；世間事莫過如此。但並不是人人可以享受到如斯美意。

酒吧內，一個男人伏在桌上，看他已經有七分醉意；間中他會吐出一兩句說話，但這些都是毫無意義；只是喝醉了在發嘮騷吧！他依然繼續喝他的酒，一口一口的喝下去；一點也不珍惜自己的身體；好像要令自己醉倒為止。突然有一隻粗壯的手搭在他的肩上，想將他帶離酒吧，但給他阻止。

「世民，看你醉成這樣，就算是我，我也不會要你；何況是他。」雖然他在說侮氣話，但一點諷刺的意思也沒有，他只是希望他的好朋友不要淪落如此。

「我不要你理，你不是他，只要他肯回到我的身邊我什麼也肯做；你走。」他一邊說，一邊喝酒。那個男人一手搶過他的酒，就把他帶離

酒吧。在車上，雙方都默默無言，只聞到世民嘔吐物的難聞氣味；世民實在喝得太多了。

回到家中，他將世民帶到沖涼房，冰凍的水便照頭淋在世民的頭上。

「世民醒醒吧。不要再拆騰自己了。假如他有心回來，他便會給你一點消息。半年了你說你有沒有收到他任何消息。」

世民聽後一手推開他，奔到客廳。「不要再說了。」他端來熱騰騰的濃茶。

「世民，喝下去。」

世民接過便喝下。

「杜笙，你說，我有什麼做錯，他竟連一句說話；一張字條也沒有留下便一走了之。」

「這不是你的錯，你對他好已經沒話說；當初連我也不明白他為何掉下你。」

「杜笙，你是不是見過他，是不是？」那雙已醉的眼忽然睜得大大望著杜笙。

他考慮了一會。「世民，身為你的好朋友，亦不想你淪為酒徒，好吧我就說給你知。在一個月前他已經結了婚，但她不是他，而是她。他已經跟一個女人結婚。」

「什麼。點解他要跟一個女人結婚，他不是同性戀的嗎？」

「世民，他亦有自己的難處，你我都知他是做那一行，他是一個專業人仕；每個月要出席的酒會便不下十個，每一次到酒會都會有人問，你的女伴呢？初初他還可以說沒找到，時間久了，而他亦到了識婚年齡；再如此說下去，其他人會怎樣想。」世民沒有作聲，只默默地望著杜笙。

「假如有朝一日，他被人發覺是一個男同性戀者，他可能會失去他的職業，你我都知他是如何緊張他的事業，就算是要犧牲一點他也會這樣做。」

世民的眼中已經充滿了淚水。

「世民，我知道你是很傷心，但他也是身不由己；人人都說自由，平等。但在社會中真的能夠做到平等的又有幾多人呢！世事永遠都是一成不變，大部份人認為是對的，那便是對。好像我們，法律上我們是合法，可以跟自己相愛的男人一起生活，但你可以做到不理別人的眼光，不理別人的閒言閒語嗎？縱然你可以在私生活做到。在公司你可以嗎？你可以告訴你的同事，你是一個男同性戀者嗎？你的上司，你的同事會喜歡跟一個男同性戀者共事嗎？他們的思想還未成熟，他們現在還認為同性戀是一種病，因為社會上的種種問題，我們這一小撮的人往往便要成為犧牲品。」

世民的淚水已從他的眼角漫漫流下，但他仍然默不出聲。杜笙繼續他的話「就因為社會的不容許，所

以他選擇了職業。他寧願放棄自己本來的性取向，也要保持自己的職業。過著大多數人認為是對的生活，追求女性結婚生子；這便是其他人認為是正確的生活。」

說到這裏，杜笙很用力的握著世民的手。

「世民，堅強點吧。不要讓我這個朋友失望，就算不是為你自己，就為我吧。明天起再重新做人，我會盡一切努力支持你，時間是可以沖淡一切；幾年後可能你在街上見到他時就如見一個陌路人。不要再自暴自棄了。」

世民終於開口，他很平和地說：「杜笙，多謝你在這斷時間幫我，我答應你；我會從新做人，時間不早；是走的時候了，杜笙再見。多謝你」

## The Gay Agenda

One of the most talked about videos in America today features gay men and women dancing around half naked, whipping each other and lampooning the Catholic church. "The Gay Agenda" as the video is titled is not a Hollywood production, but that of a conservative organization which misleadingly calls itself Accuracy in Media. With funding from many groups on the religious right, thousands of copies of the video have been mailed to lawmakers and influential policy makers throughout the United States.

The video has played an key component in these groups efforts to roll back legislation in states and cities around the country which bars discrimination based on sexual orientation. Additionally, copies of the "Gay Agenda" were sent to the top brass at the Pentagon prior to their urging the President to uphold the ban on gays and lesbians in the military.

In response, the Gay and Lesbian Emergency Media Campaign (GLEMC) was recently formed in New York to challenge the religious right and their assertion that the gay "lifestyle" attacks family values. GLEMC's first action has been the production of "Scared lies, Civil Trues," a video showing up the propagandistic tactics of the religious right and demonstrating that gays and lesbians lead all sorts of lives and do not live according to one specific "lifestyle." Gay and lesbian groups throughout the country are being urged

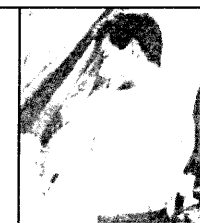

to make the tapes available to their political representatives, as well as community groups.

The Colorado State Supreme court recently ruled that last year's amendment to the state constitution which bars municipalities from enacting legislation protecting the rights of lesbians and gays, is, in all "reasonable probability," a violation of the U.S. constitution's guarantee of equal rights for all. The amendment, sponsored by religious right groups, has been the basis for attempts to limit gay and lesbian rights in numerous states and cities. While the court's ruling does not rescind the amendment which was approved by the states voter's, it does open the door for continued legal challenges.

## Two Friends

A Short Story By Camille Ho

(continue of last issue)

Ada loves women alright. She is such a lover of women that it almost breaks her heart to have flings with them. She is quite incapable of living through the short-lived passion, for the few times when she tried, she had sunk into a deep depression for weeks afterwards. That was not her idea of how to love women. She likes to take her time. She likes to savour the 'getting to know' stage and to have the other slowly reveal her strengths and shortcomings. For every woman has a special 'something' which makes itself known with time. Like all things precious and lasting, you have to put in time and patience to search for it. Women have many faces - the social, the party, the intimate, the love-making, the angry, the warm...like the sparkles of a many-faceted diamond, that differ and change from various angles. Only when you are intimate together, will she open up to you like a flower in full bloom. Real beauty is often unseen, hidden, except from those who can recognise and appreciate it.

Physically beautiful women are not always the most interesting nor the most captivating. What makes her so special is the inner quality, something in the soul perhaps, which seeps and diffuses into the physical, transforming her or heightening her beauty. Or it can even be a mannerism, a gesture, like her

way of laughing which fills a room, her smiling with eyes which seem to kiss you, or a habit, like the wearing of a scent which lingers on your clothes and hair long after she has gone. These are only the first invitations to entice you delve into her soul and be close to her. To Ada women are wonderful mysteriously.

Oli did not know any of this. Thinking he was not worth it, she had not bothered telling him. To him she was a straight, fun-loving, party girl. She had kept her sensitive side away from him. So now, 2 years on, they found themselves face to face with each in the early hours of the morning. His sentence 'I desperately needed to talk to you...' rang in her head. If he wanted a romp in the hay again, that was definitely over. For she no longer wanted nor needed to go with men. During these 2 years, her total commitment to women had made her realize how fulfilling it is. Being emotionally, sexually and financially independent of men had brought a strength and deep satisfaction she had not known before.

"It's over between us. If you.." she began.

"No, it's not what I've come to see you about," he interrupted. She stared at him, taking a swig from her whisky. "I've changed a lot, you see, I..I'm gay.." he stopped short. Ada was coughing and spluttering from the gulp of whisky that had gone down the wrong way.

"Oh, r..really?" she managed to say after a few minutes, her eyes red and watery, her nostrils burning.

"I've shocked you, haven't I?"

"I guess you could say that," her brain seemed to be burning, "but g...go on".

"I came back from the States last week, after 2 years of being myself and living my life according to what I am. Then I came back and remembered the past, the bed of lies I made, the secrecy and the confusion. It's difficult to have to confront all this again, be reminded, you know. I've never really enjoyed being with women, it's men I'm attracted to. Being the coward that I was, I made up a lot of stories, put up a front, diverted any possible suspicions. I'm not a Don Juan of women, of men, maybe," he added with a twinkle in his eyes, "I wanted to talk to you, because you seemed open-minded"

"Well, it's my turn to tell you something, you big queer! You're looking at a living, walking, talking lesbian! In other words, a dyke. And not the sort you'd find by a river either!" she grinned mischievously.

It was Oli's turn to be stunned. Just like her, he would never have guessed that she was gay. Both had seemed to be so very straight and heterosexual to each other. It just shows the lengths some people would go to appear 'normal' and to deceive others into believing in a paper-thin image of themselves. He wondered how many others were still out there, sadly spending energy into fabricating a facade which would conform to society's approved idea of sexuality?

Ada reached out, held his hand and smiled softly.

"There can't be a more honest way to begin a friendship," she said.

He smiled back in agreement.

# Japan's Naked Festivals

By B.J.

Have you ever heard about Japanese naked festivals? Although Japan is regarded as a civilised country, many naked festivals are still carried on as they have been throughout the centuries. For many years, the participants of the naked festivals

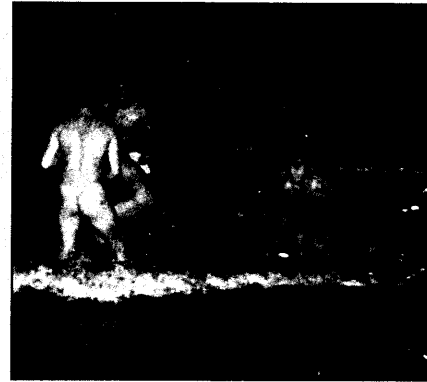

Young men around the fire after the ritual.

were stark naked. But most of the naked festivals were restricted by the government twice, once after the Meiji Emperor got into power and once after World War II. After that the participants had to wear something such as short pants, or loincloths. Thankfully there are still a few exceptions. One of these stark naked festivals is held from 31 December to 1 January in Kaminoma, Aichi Prefecture, 40 km south of Nagoya. The festival originated with people who had gone on a pilgrimage to the Ise shrine, as the participants sang "Ise-Onodo", a song for the Ise Shrine.

The festival is held for men of the evil ages, 25 and 42. In the evening of 31st December, elementary school boys visit 25 year old men in groups of 3, 5, 7 or 13. The men treat the boys to dinner. At midnight, the boys go round to 7 shrines and temples 7 times wearing unique workman's liveries to drive away evil

spirits. For the 42 year old men, young men aged between the ages of 16 and 25 get together and, they too, are treated. When the boys get back to the houses, the young men run into the sea in the nude and bathe their bodies with sea water. Then they run back to the houses and put on loincloths, head-bands and so on. After putting on everything that has already been prepared, they go round to 7 shrines and temples as the boys have done, singing "Ise-Onodo". By 3:00 on the morning of 1st January the young men get to the yard of Kaminoma Shrine group by group. They sit around a blazing fire singing, drinking and making fun of each other. The spectators surround them and enjoy the festival like a New Years Party until dawn.

Some centuries ago, the boys and young men would not have been able to eat and drink enough, because Mihama was a rural fisher-

Unashamed bathing

man's village. So, this festival must have been a rare pleasure for them. Most of the young men hesitate to be stark naked now, of course. But this festival is still a pleasure for the young men, as it is like streaking and the men of the evil ages spend a lot of money treating them. Indeed, the young men enjoy this festival. Women and gay people can also enjoy watching the stark naked men. It would be almost impossible to find gay people among the stark naked men, however, many gay people are among the spectators. Some groups of men from the gay bars in Nagoya come to see this festival. Some of them are taking pictures and videos. Last year, I was surprised to see a young man staggering purposely to touch the groin of a stark naked man. Readers should not follow this example!!

In the Japanese primitive religion, the purification ceremony, bathing the body with sea water is a very important thing before visiting a shrine. If the shrine is far from the seashore, people use salt or bathe with water from rivers or lakes. I have been investigating other naked festivals but could not find out any similar festivals outside Japan. If anyone knows a similar festival or custom, please let Contacts Magazine know.

## 焦點

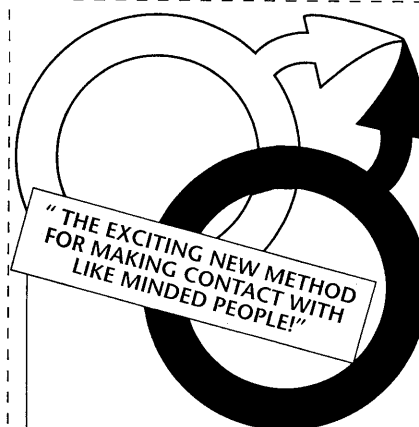

(右起)甘國亮、張艾嘉與評委成員之一成龍在新聞發布會上。

張艾嘉以其個人拍攝廣告收益而成立的「果實文教基金」，於十月廿九日向公眾宣布，港、台兩地同時舉辦，第二屆「學生聲援愛滋病」系列活動。由於此活動去年於台灣成功舉辦了第一屆，並甄選了三項宣傳作品，包括廣告短片、平面及廣播作品，對加強宣傳愛滋病公民教育作出貢獻。這番首次在港舉行，旨在提高港人對愛滋病加強正確認識，據基金負責人張艾嘉表示，香港在愛滋病教育工作已付出不少，但仍有很多人還感到愛滋與自己關係不大，加上部份電影工作者常有拿愛滋病與同性戀者相連作劇情笑柄，無疑誤導民眾對同性戀者及愛滋病傳染途徑的正確觀念。而香港電影工作者之間亦鮮有坐下來談談製作方針上，應否拿同性戀者作笑柄。

「果實」舉辦這次活動，對像是各大專院校及美術學院的在讀生，因為他們正處於一個可塑性高的年齡，新事物吸收能力高，通過先了解實況後創作廣告，無疑給參予的年青人上了一課愛滋病正確防治教育。今屆得獎作品，除可獲八萬元台幣獎金外，作品將會由合辦的傳媒機構，香港「明報」、「商業電台」、台灣「台視」、「聯合報」、「警察廣播電台」刊印和廣播及由「衛星電視台」在整個亞洲區發射網絡播放得獎宣傳片。
